

## Recruitment Notice

Farm2Food Foundation in partnership with Quest Alliance and Assam Government is launching 'STEM for Girls' project. It aims to work with government department to improve education-to-work transition and career pathways for girls studying in Government schools. The project would strive to enable girls' empowerment and build agency<sup>1</sup> among adolescent girls to help build strong pathway to careers. This will be achieved through 21<sup>st</sup> century skills (life skills, career skills and digital literacy) and STEM learning (including coding). The program aims to impact 200,000 girls in about 1600 government secondary/senior secondary schools (8th to 12th grade) in 3 years (2019-2022) across 6 states in India. In Assam, it will be implemented at Jorhat and Golaghat District in the year 2019. Subsequently, spread to 7 districts in next few years. This is an IBM - CSR supported project.
