

Recruitment Notice

Farm2Food Foundation in partnership with Quest Alliance and Assam Government is launching 'STEM for Girls' project. It aims to work with government department to improve education-to-work transition and career pathways for girls studying in Government schools. The project would strive to enable girls' empowerment and build agency¹ among adolescent girls to help build strong pathway to careers. This will be achieved through 21st century skills (life skills, career skills and digital literacy) and STEM learning (including coding). The program aims to impact 200,000 girls in about 1600 government secondary/senior secondary schools (8th to 12th grade) in 3 years (2019-2022) across 6 states in India. In Assam, it will be implemented at Jorhat and Golaghat District in the year 2019. Subsequently, spread to 7 districts in next few years. This is an **IBM** CSR supported project.
